April Meeting Notes

Jim brought the meeting to order at 7:00pm.

Jim asked who went diving. Adin and Mark went to Avalon and the water was about 57.

Ric went diving on the Sundiver Express. There was a high tide and strong current. One of the spots was Pirates Cove.

John mentioned he went diving in Puget Sound. There was low visibility, good currents and really cold water! Of the four days he was up there, it rained for 3 1/2 days.

Jim mentioned more in regards to the dive club insurance and should have more information by the next meeting.

Ken Kurtis was the guest speaker for the evening. He briefly talked about Chamber Day. Afterwards, he talked about his trip to Easter Island. He is going back again next January. The price is about \$4500 and you can view more information at www.reefseekers.com.
